**16 Dec 2016:** Spectrum 2016 – A vibrant and colourful function at DPS Bokaro was organized to celebrate the achievements of Houses (Chenab, Sutlej & Jhelum House) filled with strings of mesmerising performances including dance and music. The auspicious function was graced by the presence of Mr. Anutosh Maitra (C.E.O., BSL, Bokaro Steel City) as the Chief Guest while Mr. Rajiv Agarwal (ED – Project, BSL, Bokaro Steel City) was the Guest of Honour.

The other dignitaries who were present were Mrs. Manjula Maitra, President, Mahila Samiti, Bokaro Mr. Rajvir Singh, (G.M.,TS, BSL, Bokaro Steel City) & Mrs. Rekha Agarwal.

The guests were cordially welcomed with saplings (token of the Go Green campaign) & bouquets followed by the rendition of the welcome song and the school song. The function was solemnized with the lighting of the lamp by Mr. Anutosh Maitra joined by Mr. Rajiv Agarwal & the Director & Principal of DPS Bokaro, Dr. Hemlata S. Mohan. The Jhelum House Wardens- Mahashweta & Priti Mishra welcomed the august gathering. On the occasion, the achievements of Chenab, Sutlej & Jhelum in the academic year 2014-15 & 2015-16 were presented by the Sutlej House wardens Sulekha Kumari & Archana Sharma.

The Chief Guest, Mr. Maitra, while addressing the gathering on the occasion said that “The quality education provided to the children at DPS Bokaro is laudable. Everyone associated with the school are fortunate. The children's academic achievement, cultural and other areas are highly admirable and also overwhelming to see them developing into creative genius”. Raising concern over the growing influence of social media and the digital world in today's era, he was confident the DPS Bokaro will keep on guiding children in a positive way.

Dr. Hemlata S. Mohan in her address to the gathering encapsulated the remarkable accolades the school won in recent times in the on-going academic year. The No. 1 Day School of Jharkhand Award in the month of September 2016 by Education World, High Grade Achievement by Career360 in the month of October 2016 and the ‘India’s Best School Award’ by Education Today felicitated just last week amidst grand celebrations at The Chancery Pavilion in Bengaluru. She said, “ These awards truly reflect and glorify our attempt towards the overall cultivation of mind and body through various innovative and interesting practices in the field of sports, music, dance, theatre and cinema at the school along with the record achievements in academics”.

Further she expressed her sincere gratitude to the efforts from all the stakeholders – the young and aspiring achievers, the scholarly teachers and the ever contributing parents in making DPS Bokaro an academically and culturally vibrant hub.

A wide array of cultural extravaganza varied from Orchestra (on the Patriotic theme by both the Primary & Senior Wing students) to the Dance (Western Fusion by the Primary Wing) followed by a Sufi song ‘Nit Khair Maanga’ - a perfect blend of resonance and passion. The exquisite dance - ‘Chhad De’ enthralled the audience towards the end.

This mesmerizing evening was concluded with the Vote of Thanks by the Chenab House Wardens Rinki Kumari & Farzana Begum followed by the Natioal Anthem.

On the occasion, Vice Principal, Mr. Pravin Sharma, Headmistresses Pratima Sinha, P. Shailaja Jayakumar and Dr. Manisha Tiwari along with teachers, parents and students were also present.
