CIRCULAR FOR PARENTS (CLASS XI)

Dear Parents

Getting the parents' perspective on children builds a partnership based on mutual respect and trust. The give and take of positive conversation is a plus. Each Parent Teacher interaction moves us toward our goal of educating a child.

The answers to the following questions will help us to know a little more about your child's spirit, temperament, family culture, physical, social and emotional health, learning style, and interests which will help us in focusing on the child's holistic development.
