

Live Demonstration on “Fire Safety & Extinguishers”

Bokaro: A live demonstration on Fire Safety and Fire Extinguishers was organized in DPS Primary Wing by the Fire Services, Bokaro Steel Limited (BSL). In this programme, Mr. L.N. Sharma, Mr. S. Singh and Mr. R.K. Bankira from the Fire Services department informed the children about the various types of fire & the different extinguishers used for them. They gave a live demonstration showing how to use the extinguisher to put the fire off. Earlier they had also shared a very interesting presentation on Disaster Management and Fire Safety to increase awareness among the children. The session was very interesting and informative for the children.

On this occasion, Headmistress Mrs. Pratima Sinha stressing on the importance of such awareness program said, “For all the information related to a safer life, it is imperative to organize such programmes on regular intervals.”
